

Cost Sharing Overview

Spring 2022 Semester Information

Enrollment into MTDA requires a district cost-share, per authorization with 20-7-1202. The legislature continues to subsidize MTDA costs at the level established in 2015.

Original Credit

\$123 per semester course enrollment

- Cohort based enrollment
- 3 week drop period then cost share is assessed
- 5 course maximum per semester

**Enrollment Opens
Nov 22, 2021**

Steps to keep in mind:

- Spring course list available on website
- Assess student readiness for an online supplemental course: mtda.link/counseling
- You will need a purchase order number during enrollment
- Billing statements will be sent to identified authorized enrolling users, the district clerk or other identified administrator(s)
- Spring original credit class start date is January 24, 2022.
- Drop date deadline is February 14, 2022 for Original Credit; all enrollments charged as of 12:00pm on February 15, 2022, no exceptions.

Credit Recovery

\$61.50 per quarter course enrollment

- Open enrollment
- 1 week drop period then cost share is assessed
- 1 course at a time

**Enrollment continues
throughout the year**

Steps to keep in mind:

- Orientation Courses will remain no cost
- Assess student readiness for an online supplemental course: mtda.link/counseling
- You will need a purchase order number during enrollment
- Billing statements will be sent to identified authorized enrolling users, the district clerk or other identified administrator(s)
- Drop date deadline is one week past the initial enrollment; enrollments charged one week after initial enrollment, no exceptions.

MTDA Enrollments may qualify under ESSER funding

Still the best value

This nationwide cost analysis is based upon programs that offer comparable services to MTDA. Of course there are some aspects that are not comparable like MTDA's exclusive use of Montana teachers actively teaching across our state.
